

Pet Plan

Dear MatchDog Rescue Adopter & Supporter:

Congratulations on your new family member! Thank you for giving an animal in need the safety and love they deserve. Together, we are getting one step closer to make our communities a place where every healthy and treatable pet is guaranteed a home.

Pet health insurance helps pay the veterinary bills when pets get sick or injured. We partner with Petplan because we believe they offer the most comprehensive coverage, the most flexible policy options, the simplest claims process and the most compassionate customer service of any pet insurance provider.

As part of our partnership, Petplan has a special offer for you and your new pet. MatchDog Rescue adopters purchasing a Petplan policy receive:

DISCOUNTED POLICY

(Approved in the following states: PA, NY, NJ, DE, MA, NH, CT, VA, MD, NC)

This policy provides the following:

10% LIFETIME discount
\$25 PETCO gift card

To sign up please visit gopetplan.com/offer/MatchDog to claim your discount and incentive!

If calling the sales center to purchase your policy (866-584-0239) you must mention that you adopted your pet from Matchdog to gain access to our unique offer.

***Be sure to activate your policy within 24 hours following a comprehensive exam by your veterinarian in order to waive our standard 15-day accident and 15-day illness waiting periods!**

And we are very grateful that for each pet you protect, Petplan will make a generous donation to support MatchDog Rescue's lifesaving work!

With warm regards,
Kerry Morlino
